

# NONRTRIC (I-Release)

These are the docker image versions released from the [NONRTRIC project](#) - Release I.

## I Release images

| Component                                       | Image                                                                         | Tag          |
|-------------------------------------------------|-------------------------------------------------------------------------------|--------------|
| A1 Policy Management Service (OSC)              | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-a1policymanagementservice     | <b>2.7.0</b> |
| A1 Policy Management Service (ONAP)             | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-a1policymanagementservice     | <b>1.6.1</b> |
| Information Coordinator Service                 | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-informationcoordinatorservice | <b>1.6.0</b> |
| NONRTRIC Control Panel                          | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-controlpanel                      | <b>2.5.0</b> |
| NONRTRIC Gateway                                | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-gateway                           | <b>1.2.0</b> |
| A1-Simulator                                    | nexus3.o-ran-sc.org:10002/o-ran-sc/a1-simulator                               | <b>2.6.1</b> |
| RApp Manager                                    | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-rappmanager                   | <b>0.0.1</b> |
| RApp Manager - DME Participant                  | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-participant-impl-dme          | <b>0.0.1</b> |
| SME CAPIF Core (Service Discovery/Registration) | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-capifcore                     | <b>1.2.0</b> |
| RApp Catalogue                                  | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-rappcatalogue                 | <b>1.2.0</b> |
| RApp Catalogue (Enhanced)                       | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-rappcatalogue-enhanced        | <b>1.1.0</b> |
| DMaaP Adapter                                   | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-dmaapadapter                  | <b>1.3.0</b> |
| DMaaP Mediator                                  | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-dmaapmediatorproducer         | <b>1.2.0</b> |
| Helm Manager                                    | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-helmmanager                   | <b>1.3.0</b> |
| Auth Token Fetcher                              | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-auth-token-fetch              | <b>1.1.1</b> |
| RAN-PM PM Data File Collector                   | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-ranpm-datafilecollector       | <b>1.1.0</b> |
| RAN-PM InfluxDB PM Logger                       | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-pmlog                         | <b>1.1.0</b> |
| RAN-PM PM File Converter                        | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-ranpm-pm-file-converter       | <b>1.1.0</b> |
| RAN-PM PM Producer                              | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-plt-pmproducer                    | <b>1.1.0</b> |
| O-DU Slice Assurance                            | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-rapp-ransliceassurance            | <b>1.3.0</b> |
| O-DU Slice Assurance                            | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-rapp-ransliceassurance-icsversion | <b>1.2.0</b> |
| O-RU FH Recovery                                | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-rapp-orufhrecovery                | <b>1.1.0</b> |
| O-RU FH Recovery                                | nexus3.o-ran-sc.org:10002/o-ran-sc/nonrtric-rapp-orufhrecovery-consumer       | <b>1.1.0</b> |

Note: Tags in **Bold** are newly released in this Release

Note: This table is copied from the NONRTRIC project's wiki pages ([Release I - Run in Docker - Docker Images](#)) - and that page has the definitive list

More information on the achievements and functionality in the I-Release can be found in the [NONRTRIC space](#).
