Rules for release name

- Name cannot be existing brand name used in Telco and IT industry. (eg. Mango is usable, Orange or Magenta is not.)
 WIPO Global Brand Database: https://www.wipo.int/branddb/en/
 Releases are named in alphabetical order
- Single word
- Reasonably complex spelling
 Name is approved by TOC after general vote

List of colours used

- List of colours available at: https://en.wikipedia.org/wiki/List_of_colors_(compact)
 Colour can be used also as visual cue complementing the release name
