## Rules for release name

- Name cannot be existing brand name used in Telco and IT industry. (eg. Mango is usable, Orange or Magenta is not.)
  - WIPO Global Brand Database: <https://www.wipo.int/branddb/en/>
- Releases are named in alphabetical order
- Single word
- Reasonably complex spelling
- Name is approved by TOC after general vote

## List of colours used

- List of colours available at: [https://en.wikipedia.org/wiki/List\\_of\\_colors\\_\(compact\)](https://en.wikipedia.org/wiki/List_of_colors_(compact))
- Colour can be used also as visual cue complementing the release name
