

# 2019-09-12 meeting agenda and minutes

12-Sept-2019

Agenda:

ARs from last meeting:

- There will be "doc" task for each project, Weichen Ni (PTL) requires us to work with them for the doc.
  - Weichen has uploaded the doc template (missing link)
- Introduce the Yocto and StarlingX by Xiaohua Zhang.
  - Postpone to next meeting.
- Kevin Zhang will brief introduce the plan for the INF-A-F02.
  - it will start the Nov, and it will depend on the Inspur internal plan, may change, will update asap.

New items:

- The meeting of 2019-09-19 will be cancelled because of traveling.
- Committers for repo: Jackie Huang from Wind River and Jianqiang Lu from Lenovo. Xiaohua will file the approval request to TOC.
- Inspur will need the new repo instead of the original one. Xiaohua will file the approval to TOC.
- Write the target of INF project.

Next meeting items:

- Akraino blueprint introduction.
